

ELI LILLY – 2 Medical Advisor Roles in Diabetes (Senior and Associate Level)

- **Top 10 pharmaceutical company**
- **Great staff benefits (gym, cafeteria, parking etc)**
- **West Ryde location or anywhere in Australia**

ABOUT LILLY:-

Lilly is one of the top 10 largest pharmaceutical companies in the world. Lilly has remained dedicated to creating medicines that help improve peoples' quality of life for more than 135 years. At the heart of Lilly's operations are its core values – excellence, integrity and respect for people and these are reflected in business practices that include strong governance principles, the ethical development of medicines, transparency and ethical product promotion.

ABOUT THE ROLE:-

The Medical Advisor is an integral part of the Lilly Diabetes (LD) Medical Affairs Team Australia/New Zealand with clinical and scientific expertise. We are now looking for Medical Advisors

Through application of scientific knowledge, clinical expertise and relevant experience in diabetology and/or endocrinology, the physician will contribute to development, implementation and publication of results of Lilly global and local clinical research.

By deep understanding of the disease state and treatment options the Medical Advisor is an integral member of the Lilly Diabetes team for strategic planning in the support of launch and commercialization activities in Australia and New Zealand.

The primary responsibilities are generally related to late-phase and marketed compounds and include:-

- investigator interactions,
- building a medical and scientific network in the Diabetology community on an Australian as well as global perspective,
- cross-functional collaboration,
- writing and/or reviewing reports,
- support of regulatory activities.

Selection Criteria:-

- Medical Doctor preferably Internal Medicine or Endocrinology Specialty
- Must have completed education and training at a medical school that meets the requirements of the Liaison Committee on Medical Education (LCME)
- High motivation to learn new scientific data
- Excellent interpersonal and communication skills and ability to lead and work within a multidisciplinary team environment
- Facilitation/presentation skills

WHAT IS ON OFFER?-

By joining the Lilly team, you will be for a world class pharma company and working among people who are devoted to improving the lives of others. Lilly's drive for progress and innovation is what we are looking for in our people. We have created an open environment designed to stimulate the flow of information. To achieve our goals, we place teams of intellectually-driven people in this environment. People like you. We provide you with the opportunity to make the most of your career and life.

We are offering a competitive salary and benefits package. If you will be Sydney office based, you will have free on-site staff car park, use of facilities such as on-site gym and subsidised cafeteria. And most of all, you will be working with a great team.

HOW TO APPLY:-

Please send your application (CV and cover letter) to jo_lal@network.lilly.com

Applications Close: Friday 25th October 2013

Please Note: *we will only respond to applicants who meet the above criteria.*

Be connected. Be inspired. Be a catalyst.
